

# Mall Scavenger Hunt

## Rules:

1. The scavenger hunt begins as soon as both teams receive the scavenger sheets.
2. Teams need to meet back at wherever \_\_\_\_\_'s Mom is at \_\_\_\_\_ p.m. If your team is late returning, 5 points will be deducted from your total team points.
3. Do not run in the mall or in any of the stores. If any person from your team is caught running, your team will lose 5 points.
4. Treat everyone that you encounter with respect.
5. Some items on the list will require taking a picture on one of your cell phones. All photos must be taken on the same camera. Unless otherwise specified, at least one team member must be present in each of the photos you take. Do NOT give your phone to a stranger to take the photos. Take turns taking the photos so that everyone has a chance to be in the photos.
6. When going into a store, you must ask one of the clerks if you can take a picture of any items. This is polite and shows respect.
7. If you remove an item from a shelf, place it back where you found it.
8. Have one team member check off each item that you find from the list.
9. Groups are not allowed to split up. The entire group must stay together for the entire event.
10. Each item on the list is worth 5 points. You do not have to accomplish every task, just as many as you can.
11. The team earning the most points wins. Have fun and play fair. Remember, it's just a game!
